

The Love Of God (All I Need) [Lyrics, 70 bpm, 4/4]

[Default Arrangement] by Kyle Elkins and Tanya Godsey

INTRO

VERSE 1

The love of God is greater far
Than tongue or pen could ever tell
It goes beyond the highest star
And reaches to the lowest hell

PRECHORUS

Measureless, pure and strong
Constant as the rising sun
The rising sun

CHORUS

The love of God is all I need
His endless grace His perfect peace
A mercy deeper than my mysteries
The love of God is all I need

TURN

VERSE 2

In the last light when shadows move
When bright horizons bow to night
When sorrows set in like a wound
Love ushers in new morning light

PRECHORUS

Measureless, pure and strong
Constant as the rising sun
The rising sun

CHORUS

The love of God is all I need
His endless grace His perfect peace
A mercy deeper than my mysteries
The love of God is all I need

BRIDGE 1

For there's no height no depth
No distance left
For I am hemmed within
My Father's hands
And now my sorrows break
Into a song
And with the rocks and hills
and mountains I'll call

BRIDGE 2

For there's no height no depth
No distance left
For I am hemmed within

My Father's hands
And now my sorrows break
Into a song
And with the rocks and hills
and mountains I'll call
And oh we'll sing
For love's holding all things

CHORUS

The love of God is all I need
His endless grace His perfect peace
A mercy deeper than my mysteries
The love of God is all I need

TAG

A mercy deeper than my mysteries
The love of God is all I need
